Rules for the guidance of Judging Committees of District Horse Shows.

I—Only *boná fide* horse-breeders and dealers will be allowed to compete for the above prizes. The Judging Committee will decide as to the eligibility of competitors.

II.—A branded mare of 4 years of age, in foal, or with foal at foot, the result of having been covered before 4 years of age, will not be eligible to compete. As foals are usually weaned at the age of six months, branded mares, with foals at foot by Government stallions, will not be eligible to compete in Class I (*b*) after the foal in question has attained that age. Foals over 6 and under 12 months old may compete in Class VI.

III.—Branded mares proved to be barren, *i. e.*, mares that have not held to Government stallions for the last two years, will not be eligible to compete.

IV.—No mares or stock will be allowed to compete as "served by Government stallions," or "got by Government stallions," unless a certificate to that effect is produced by the exhibitors. These certificates are obtainable from officers in charge of stallions.

V.—Branded fillies (Class II), if out of branded mares by Government stallions, may also compete in "Class III, Fillies."

VI.—Geldings (Class VI), if out of branded mares by Government stallions, may also compete in "Class V, Yearlings" (Colts) and in "Class IV, Remounts," if *purchased* at the show for Government, Army and Police purposes.

VII.—Intending exhibitors should, on arrival at the fair, apply to the Secretary of the Judging Committee for a ticket or tickets, as the case may be, stating the class in which they propose to compete.

VIII.—Each ticket will be worn by the animal as a token of the right to compete.

IX.—When the tickets are given, the Secretary will name the date, hour and place at the show when and where horses should be brought for examination. A shamiána, or large tent, or shed, to afford shade to the Committee, within a temporary rail enclosure, should be erected to allow of the members to carefully examine the stock. The public should not be permitted to enter the enclosure during the Committee's proceedings.

X.—Prizes will be awarded on the day appointed by the President of the Judging Committee.

XI.—A certificate (parwána) will be given to each winner, whether he takes his prizes in money, khillat, or medal, as he may think best.

XII.—One or more of the District Officers of each district represented, and the Superintendent, Civil Veterinary Department, will act as Judges of the Committee.

XIII.—Discretion is to be used by the Judging Committee in awarding only a portion of prizes to any class, if the stock of that class be not considered worthy of all prizes noted; and the money not awarded may be devoted to the giving of extra prizes in other classes deemed, by the Judging Committee as worthy of them, as it is the desire of Government to award the total sum granted, provided any of the classes of stock competing are in any way worthy of it.

XIV.—The system of marks will be adopted as follows:—

For Mares.		*All other Stock.*	
Soundness	... 25	Soundness	... 25
Power	... 25	Power	... 25
Quality	... 25	Quality	... 25
Produce at foot	... 25	Action	... 25
Total	... 100	Total	... 100
If no produce, the total will be ...	.. 75		

Practical soundness in a horse shall, however, be the *sine qua non* for taking a prize, and should not merely count equally with other points of merit. It is therefore ruled that any animal that does not obtain 15 of 25 marks for soundness, will be debarred from getting a prize.

Marks for "action" have not been accorded to mares, as some competing may be too heavy in foal to allow of their action being shown. The Judging Committee are requested to be good enough to attach a return to their reports, showing the number of the several marks allotted to winners of prizes.

NOTE 1.—To enable a horse to become eligible to compete in the "Gelding" class, both testicles must have been excised.

2.—The prizes allotted to the "Gelding" class are to be invariably awarded to the best competing. Prizes in this class to be awarded only to stock that have been castrated when in possession of their present owners, *boná fide* horse-breeders, and provided the Judging Committee are satisfied the animals have been castrated with a view of competing for the prizes.

3.—In the North-Western Provinces approved mares and fillies were up to the year 1877 branded V. R.; since that time they have been branded V. I. In the Punjab approved mares and filies were, up to the year 1885, branded B M.; since that time they have also been branded V. I. In the Bombay Presidency, Sind and Balúchistán approved mares and fillies are branded /|\. The brand will be found either on the off or near shoulder or on the saddle place.

4.—In case of remounts not being purchased for one branch of the service of the class for which prizes are offered, the prizes for that class will be added to the prizes offered for remounts of the other branch of the service. For instance, if no remounts over 3 years of age are bought for the British service, the prizes will be added to Native Cavalry Remounts over 3 years of age, and *vice versá*.

5.—It has been found that in districts where private studs are maintained by comparatively rich men, several prizes in the same class are, in many cases, awarded to the same owner; and the poorer breeders do not receive so many prizes as they otherwise would. It is therefore ruled that each private stud competing be restricted to only one prize in each class.

6.—Owners of stock from branded mares by any sires which may have been approved by the officers of the Civil Veterinary Department, and which are the property of District Boards, Native Chiefs, and other native gentlemen, are permitted to enter such stock in competition for Government prizes. Certificates in the prescribed form affording proof of the eligibility of such stock to compete for Government prizes should invariably be produced by owners.

7.—The following rule to be observed in ageing horse and mule stock competing for prizes:—

"Foal at foot" ...	... From date of birth to 6 months old.
"Foal" ...	... Over 6 and under 12 months old.
"Yearling" ...	... 12 months to under 2, months old.
"Two years old" ...	... 24 months to under 36 months old, and so on

II.—Fillies under 4 years of age, in foal or with foal at foot, will not be eligible to compete. As foals are usually weaned at the age of six months, branded mares with foals at foot by Government stallions will not be eligible to compete in Class I *(b)* after the foal in question has attained that age. Foals over 6 and under 12 months old may compete in Class VI.

III.—Mares proved to be barren, *i. e.*, mares that have not held to coverings for the last two years, will not be eligible to compete.

VIII.—When the tickets are given, the Secretary will name the date, hour and place at the Fair when and where horses should be brought for examination. A shamiana, or large tent, or shed, to afford shade to the Committee, within a temporary rail enclosure should be erected, to allow of the Members to carefully examine the stock. The public should not be permitted to enter the enclosure during the Committee's proceedings.

XI.—Honorary certificates will be awarded to exhibitors who are not *boná fide* horse-breeders and dealers, and who may show superior animals. On the certificate may be noted the prize and money value that would have been awarded to the animal had the owner been a *boná fide* horse-breeder or dealer.

XII.—A Committee of experienced officers, appointed by the Local Government will act as Judges. The Superintendent, Civil Veterinary Department of the Province, will attend the Committee as Member and Veterinary Adviser. In his unvoidable absence, the services of a Veterinary Officer will be provided under the orders of the Government of India.

XIII.—Discretion is to be used by the Judging Committee in awarding only a portion of prizes to any class, if the stock of that class be not considered worthy of all prizes noted, and the money not awarded may be devoted to the giving of extra prizes in other classes deemed by the Judging Committee as worthy of them, as it is the desire of Government to award the total sum granted, provided any of the classes of stock competing are in any way worthy of it.

XIV.—The system of marks will be adopted as follows :—

For Mares.		*All other Stock.*	
Soundness	25	Soundness	25
Power	25	Power	25
Quality	25	Quality	25
Produce at foot	25	Action	25
Total	100	Total	100
If no produce, the total will be ...	75		

Practical soundness in a horse shall, however, be the *sine qua non* for taking a prize, and should not merely count equally with other points of merit, it is therefore ruled that any animal that does not obtain 15 of 25 makrs for soundness will be debarred from getting a prize.

Marks for "action" have not been accorded to mares, as some competing may be too heavy in foal to allow of their action being shown. The Judging Committee are requsted to be good enough to attach a return to their reports, showing the number of the several marks allotted to winners of prizes.

NOTE.—To enable a horse to become eligible to compete in the "Gelding" class, both testicles must have been excised.

2. The prizes allotted to the "Gelding" class are to be invariably awarded to the best competing. Prizes in this class to be awarded only to stock that have been castrated when in possession of their present owners, *boná fide* horse-breeders, and provided the Judging Committee are satisfied that the animals have been castrated with a view of competing for the prizes.

3. In the North-Western Provinces approved mares and fillies were up to the year 1877 branded V. R.; since that time they have been branded V. I. In the Punjab approved mares and fillies were up to the year 1885 branded B. M.; since that time they have also been branded V. I. In the Bombay Presidency, Sind and Baluchistan approved mares and fillies are branded /|\. The brand will be found either on the off or near shoulder or on the saddle place.

4. In case of Remounts not being purchased for one branch of the service of the class for which prizes are offered, the prizes for that class will be added to the prizes offered for Remounts of the other branch of the service. For instance, if no Remounts over 3 years of age are bought for the British service, the prizes will be added to Native Cavalry Remounts over 3 years of age, and *vice versa*.

5. It has been found that in districts where private studs are maintained by comparatively rich men, several prizes in the same class are, in many cases, awarded to the same owner, and the poorer breeders do not receive so many prizes as they otherwise would; it is therefore ruled that each private stud competing be restricted to only one prize in each class.

6. Owners of stock from branded mares by any sires which may have been approved by the Officers of the Civil Veterinary Department, and which are the property of District Boards, Native Chiefs, and other native gentlemen, are permitted to enter such stock in competition for Government prizes. Certificates in the prescribed form affording proof of the eligibility for such stock to compete for Government prizes should invariably be produced by owners.

7. The following Rule to be observed in ageing horse and mule stock competing for prizes:—

"Foal at foot" ...	... From date of birth to 6 months old.
"Foal" ...	... Over 6 and under 12 months old.
"Yearlings" ...	... 12 months to under 24 months old.
"Two years old" ...	... 24 months to under 36 months old, and so on.

No. 471.

Page 670, Circular No. 56, add to paragraph 60 : —

It is necessary that in all sales or grants of the proprietary right in Government land Government should be protected, as far as possible, from being held accountable in any way for defects of title subsequently discovered. Act XXIII of 1863 furnishes a procedure for effecting this as regards sales of waste land, and this Act is made use of in the rules regarding the sale of waste land published with Punjab Government Notification No. 760, dated 3rd November 1885 (*see* Form A annexed to paragraph 3 of the Notification). Whenever it is proposed to sell waste land under these rules or otherwise, or to give it away as a reward grant, care must be taken that a proclamation is issued giving notice of the intended sale or grant, and making the completion of the sale or grant contingent on the rejection of any claims that may be brought under Act XXIII of 1863. Small plots of nazúl land are sold from time to time. As to these Government runs little risk, and no special procedure is required. No case of the sale or grant of the proprietary right in land of any value should, if the whole or part of the land is cultivated, be disposed of until a deed of sale or gift containing all covenants necessary to safeguard Government has been approved by the Government Advocate.

The Indian Law Reports.

PUBLISHED UNDER AUTHORITY.

THE Indian Law Reports, published under the authority of the Governor-General in Council appear in monthly parts, published as soon as possible after the first of each month at Calcutta, Madras, Bombay and Allahabad, and comprise four series,—one for the Calcutta High Court, a second for the Madras High Court, a third for the Bombay High Court, and a fourth for the Allahabad High Court. The cases heard by the Privy Council on appeal from each High Court are reported in the Series for that High Court. Cases heard by the Privy Council on appeal from Provinces in India not subject to any High Court are reported in the Calcutta Series.

The Calcutta Series is distributed by the Bengal Secretariat; and the Madras, Bombay and Allahabad Series are distributed direct from Madras, Bombay and Allahabad, respectively.

FINANCIAL COMMISSIONER'S OFFICE.

Addenda and Corrigenda to Punjab Revenue Circulars.

The 5th September 1894.

No. 472.

Revenue Circular No. 47, page 479, for paragraph 4 substitute the following:—

Yearly lists of Major Works.

4 (i) Commissioners and Collectors should carefully note the procedure laid down in Public Works Department Circular No. 7—3534 of the 16th June 1894 (Appendix D). It will be observed that lists of Major Public Works for which the administrative sanction of Government has been obtained are to be submitted by Heads of Departments to Government in the Civil Department on the 15th of August in each year, to enable that Department to decide the annual allotments to be made in the Provincial Public Works Budget for the ensuing year.

(ii) At as early a date as possible in each year Commissioners should make up their minds as to the order in which each of the Major Revenue buildings which have been proposed for construction in their Divisions should be taken in hand; and for such of them as have not already received the administrative sanction of Government in the Civil Department, they should without delay apply for such sanction, through the Financial Commissioner, in the manner prescribed in Public Works Department Circular No. 19 of 1874. Every application for administrative sanction should be accompanied by a rough pencil sketch showing the form and size of the building, the accommodation to be provided, the description of masonry to be used in the various portions of it, the sort of roof to be put on, and the rough *approximate* cost of the proposed work.

(iii) Early in the month of June in each year Commissioners will be furnished by the Financial Commissioner's Office with lists in the form given in Appendix E of (1) Major Revenue buildings other than rest-houses, and (2) rest-houses which have from time to time been proposed for construction in their respective Divisions, and which have not been provided for. To these lists Commissioners may add any Major Revenue projects, not already shown therein, which they consider urgent and for which they are prepared to apply for administrative sanction at a very early date. No work estimated to cost Rs. 2,500 or less should be included. Commissioners should note on the lists the order in which they consider each work should be taken in hand. The order of urgency should be recorded separately in respect of (1) all the Major Revenue works other than rest-houses, (2) all the rest-houses in the Division, and not by districts. The lists after being completed in the manner described above should be returned to the Financial Commissioner's Office by the 1st of July. Ordinarily the Financial Commissioner will not, in the Provincial list he submits to Government, include any work for which administrative sanction has not been obtained, and no unsanctioned work will be included unless it is shown to be really urgent and sanction is likely to be obtained at an early date.

Proceedings of His Honor the Lieutenant-Governor of the Punjab in the Finance Department, No. 675 of 7th June 1872.

Punjab Government, Public Works Department, Circular No. 26 of 27th June 1872.
Ditto ditto ditto Circular No. 19 of 27 h July 1874.
Ditto ditto ditto Circular No. 3 of 4th January 1890.

IN order to simplify the procedure in framing the Budget and the selection of works to be carried out, His Honor the Lieutenant-Governor is pleased to direct that the follow-

ing rules shall be observed in future in supersession of those contained in Public Works Department Circular No. 3 of 4th January 1890, which is hereby cancelled :—

(1)—Administrative sanction for works should be applied for at any time whenever the necessity for such works becomes apparent. An application for administrative sanction for a building should either refer to a standard plan and estimate, or forward a sketch plan and estimate giving a clear idea of the form and size of the building, the accommodation to be provided in it and the description of work to be put into the various portions of it.

(2)—The Head of each Department will keep a list of administrative sanctions completed up to date.

(3)—On the 15th of August in each year a copy of this list should be submitted by the Head of the Department to Government in the Civil Department to enable that Department to decide the annual allotments in consultation with the Public Works Department.

(4)—The annual allotments decided, each Department will be left to settle with the Public Works Department to which of the works on the list they should be allotted.

(5)—The Budget Conference at which the annual allotments are decided is held in September. Immediately on receipt of information as to the sum allotted, each Head of a Department will submit to Government in the Public Works Department the list of works, with order of urgency noted, which he proposes to have constructed during the ensuing year. Orders for the preparation of the detailed plans and estimates will then be issued by the Public Works Department.

(6)—Under the foregoing rules, only the total allotments by Departments will be considered at the Budget Conference; the distribution in detail to particular works will, under Rules (4) and (5) above, be subsequently settled by Heads of Departments in communication with the Public Works Department. The terms of Finance Department No. 675 of 7th June 1872 and paragraphs 8 and 9 of Public Works Department Circular No. 19 of 27th July 1874 are superseded in so far as they conflict with the rules herein laid down.

(7)—The Government in the Public Works Department reserve power to withdraw, either temporarily or permanently, portions of the general allotments from any Department, if found necessary to meet calls of an urgent nature elsewhere.

(8)—Officers of the Public Works Department will, under Public Works Department Circular No. 26 of 27th June 1872, continue to bring forward proposals for all works that do not directly belong to any of the other Departments. Superintending Engineers will keep lists of administrative sanctions for such works (as laid down in Rule (2)) and will submit copy of the lists on the 15th August (as laid down in Rule (3)) to Government in the Public Works Department.

(9).—Works that have not previously been administratively sanctioned should only be included if the necessity for their early construction is really pressing. Administrative sanction should, as noted in Rule (1) above, be always applied for whenever the necessity or desirability becomes apparent.

The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible, bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2½ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2¼ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2¼ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2½ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible, bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2½ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

LAHORE:
The 3rd October 1894.

A. E. HURRY,
Deputy Commissioner.

No. 479.

To Revenue Circular No. 40, after paragraph 11, add the following paragraph :—

11A.—Deputy Commissioners, who wish to do so, are allowed the option of introducing the system, which has been tried with success in the Umballa District, of payment of Land Revenue into the Treasury without pre-audit by the Revenue Accountant. According to this system it is essential in the first place that a correct kist-bandi should be supplied to every Patwári for each of his villages. With the assistance of the kist-bandi Patwárís may be expected to give correct arz-irsáls to each Lambardár paying in an instalment of land revenue. The person tendering payment will then take the arz-irsál with the money to be paid direct to the Treasurer, who will at once receive the money and sign a receipt on the back of the arz-irsál. This will then be taken by the Lambardár or person paying the money to the Siyaha-Navís and Wásil-Báki-Navís, by whom dákhilás will be prepared in the usual way.

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible, bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage	Rs. 15 per day, *viz.*,	Rs. 120 for the eight days.
,, second class ,,	Rs. 8 ,,	,, 64 ,,

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2¼ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

The 3rd October 1894.

A. E. HURRY,
Deputy Commissioner.

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible, bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2¼ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

The 3rd October 1894. } *Deputy Commissioner.*

DEPUTY COMMISSIONER'S OFFICE, LAHORE.

Notice

IS hereby given that a Civil Camp will be formed during the Darbár week on the Police Parade Ground, Lower Mall, Lahore, from the 22nd November to the 3rd December 1894 inclusive. The Camp is primarily intended for officers in Civil employ engaged on duty connected with the Darbár; it will, however, be made available, as far as space and tents will permit, for others who may wish to visit Lahore on this occasion. There will be accommodation for ladies as well as gentlemen.

All visitors desiring to join the Civil Camp are requested to intimate the fact to the undersigned as soon as possible, and at the latest by the 10th of November. Full particulars should be given of the number of officers, ladies and children (if any), servants, horses, and conveyances, number and size of tents privately supplied or required, intention of joining the Camp Mess or otherwise, probable date of arrival, and duration of stay. No tents may be pitched on either of the Civil Camp sites without the permission of the officer in charge of the Camp, nor until he has allotted a space. Visitors should, as far as possible, bring their own tents and send them to the Camp not later than 15th November.

In connection with the Camp a Mess will be organized under the supervision of an European officer. It will be open to all visitors living in the Camp at a charge calculated to defray all expenses. House servants, except bearers and khitmatgárs, which every visitor is recommended to bring for his own convenience, will be provided by the Mess for all subscribers. Visitors who prefer to make their own messing arrangements and bring their own tents will be allotted space, as far as practicable, on the adjoining plot of ground. They, as well as all others in the Camp, will be charged a daily fee for cost of water and sanitary arrangements. If they wish to use the Mess tents for meals or as a reading room, they will be allowed to do so at a fixed charge.

Visitors desiring to secure carriages for the Darbár week are at liberty to make their own arrangements. An endeavour will be made to meet the wishes of those who wish to secure carriages in advance. Visitors are warned that very early intimation is necessary, as the demand will be very great and the prices very high. The price already demanded and paid for the use of a gharri during the eight days of the Viceroy's stay is—

For a first class carriage Rs. 15 per day, *viz.*, Rs. 120 for the eight days.
" second class " Rs. 8 " " 64 "

No guarantee can be given that any gharrís will be procurable during the Darbár week, unless they are secured in advance. The Civil Camp will be approximately 2 miles from the Railway Station and 2¼ from the Viceroy's Camp. Visitors who wish to secure carriages through the agency of the undersigned's office should at once give particulars of the number and class of carriages wanted, and of the period for which they are required. When the carriage is secured they will be requested at some date prior to their arrival in Lahore to remit the cost of hire, on receipt of which the carriage will be duly reserved.

Further particulars can be ascertained on application to the undersigned. Covers relating to the Civil Camp should be superscribed on the upper left-hand corner "Darbár Civil Camp."

LAHORE: } A. E. HURRY,
The 3rd October 1894. } *Deputy Commissioner.*

There were present—

and by proxy—

5. Munshi Gyán Chand ;
6. Lála Ishwar Dáss, M. A., Pleader, Chief Court ;
7. Lála Lál Chand, M. A., Pleader, Chief Court ;

11. Lála Niranjan Dáss, Pleader, Chief Court ;
12. Lála Umrao Singh, M. A. ;
13. Bábu J. C. Bose, M. A., B. L. ;
14. Lála Lajpat Rái, Pleader, Chief Court ;
15. Sirdár Krishna Singh, Barrister-at-Law.

The following statement was read by the Secretary. The receipts and expenditure for the past 12 months, *i. e.*, from the 1st December 1893 to the 30th November 1894, were as follows :—

	Receipts.	Rs.	A.	P.
(1)	Government grant	2,166	10	8
(2)	Contributions from Local Bodies	974	12	0
(3)	Donations and subscriptions	720	0	0
(4)	Sale of surplus books	285	5	6
(5)	Other receipts	4	8	0
	Total ...	4,151	4	2

	Expenditure.	Rs.	A.	P.
(1)	Establishment	2,340	0	0
(2)	Book-binding	43	12	6
(3)	Printing	346	13	0
(4)	Purchase of books	1,610	12	4
(5)	Purchase of furniture	40	1	0
(6)	Miscellaneous	279	1	0
	Total ...	4,660	7	10

	Rs.	A.	P.
Total income ...	4,151	4	2
Total expenditure ...	4,660	7	10
Difference ...	509	3	8

The above statement shows that the expenditure exceeded the income by Rs. 509-3-8. This was due chiefly to the large number of books purchased, the charge on this account being Rs. 734 more than in the previous twelve months. The charges under the remaining heads were low except that for Printing and the heavy expenditure here was caused by the issue of a revised catalogue, mention of which is made further on. The falling-off in income as compared with the previous year amounted to Rs. 116, and this was due to the Government grant having been reduced from Rs. 2,400 to Rs. 2,000. Owing to this reduction the Committee has felt the necessity of carefully husbanding more than ever the resources of the Library compatible with its efficiency. One encouraging feature is that the income from subscriptions, &c., is rising steadily year by year, the amount in the period under report being Rs. 720 as compared with Rs. 560 of the previous year.

During the year three new names were added to the List of Life Members. The Committee is glad to be able to report again that the number of readers has risen, the figures being 35,511 as compared with 3,503 of the previous 12 months. They indicate that the interest of the public in the institution is sustained.

In addition to the books purchased from the Library funds, 16 volumes were received by gift from the public. The Committee record with regret the demise of Fakír Sayad Jamál-ud-dín, Khán Bahádur, Fellow of the Punjab University, which occurred in July. This gentleman had shortly before his death made over to the Library the large collection of rare and valuable books, particularly of Arabic and Persian works, which he had previously presented. The works are of great assistance to Oriental scholars.

A revised edition of the Alphabetical Catalogue of English books was issued during the year under report at the very small cost of five annas per copy. This has supplied a want that has been long felt. Arrangements are being made to prepare similar catalogues for the books in the Oriental Section, which it is hoped will shortly be issued.

2. The business before the meeting was to elect under Rule 4 of the "Constitution and Committee" two members to be on the Committee for one year. The members appointed last year were—

Khán Bahádur Sheikh Nának Bakhsh.
Lála Ruchi Rám Sahni, M. A,

The following members were elected to serve on the Committee for the coming year:—

Sardár Krishna Singh, Barrister-at-Law, Lahore.
Lála Lajpat Rái, Pleader, Chief Court, Lahore.
